

Madelia Public School District

Empowering every student to achieve excellence for lifetime success.

Mission <i>Our Core Purpose</i> The mission of the Madelia Public Schools is to provide all students an educational foundation which consists of the mastery of core competencies that will empower them to become local and global citizens who are inspired to achieve lifetime success in a diverse and changing world.	Vision <i>What We Intend to Do</i> Madelia Public Schools are committed to creating a supportive and inclusive learning experience so all students recognize their talents, possess the skills to navigate the world, and positively contribute to their community through advocacy and justice.
Values <i>Drivers of Our Words and Actions</i> Community: We are committed to strengthening the school and community through partnerships and collaboration. Achievement: We are focused and committed to our mission and vision in order to provide our students with a high quality education. Diversity, Equity, Inclusion: We are responsive to the needs of all learners to provide the structures, environment, and resources students need to reach their full potential. Engaged Participation: We foster relationships with all stakeholders utilizing leadership, teamwork, communication, and problem-solving skills. Learner Centered: We assure accountability through shared, evidence-based, student-centered decision making to create a nurturing and safe learning environment. Integrity and Justice: We act with integrity, honoring the HAWKS Code of Conduct of Honesty, Accountability, Work, Kindness, and Safety. Academic Accountability: We take responsibility for our actions and decisions, provide a rigorous curriculum, and seek feedback from those impacted to transform our efforts into results.	Strategic Directions <i>Focus of Our Improvement Efforts</i> Infrastructure for Continuous Improvement: Provide an equitable, social, emotional, behavioral, and strong academic outcome for all students and staff. Family and Community Engagement: Family Engagement opportunities will be provided to build trust and equitable partnerships between families and the school staff by promoting shared responsibility for student outcomes. Multi-layered Practices and Support: Provide sustainable tiered service facilitation of a multi-layered system of practices that intensifies instruction and supports needed so all students meet educational benchmarks. Assessment: Make educational decisions that improve learning conditions for every student by using data with the intended purpose. Data-based Decision Making: Utilize data to solve problems and make decisions that impact student academic, behavioral, social and emotional well-being by creating a continuous cycle of systems of improvement including educator support, policy, procedures, and instructional improvement. Facilities and Maintenance: Ensure that all district areas, assets, and structures are operating for maximum safety and efficiency in order to provide educational and social emotional growth for all.
